

GFiTT 2014 – Trainers Feedback

Hi All

Thank you so much for contributing to the program this year - the informal feedback we have had so far has been very positive.

To help us improve the program it would be much appreciated if you would complete this evaluation form. Just fill it out using the 'Track Changes' function. Please be as frank as you would like! Return the completed form to Tony Clarke (clarkes@webone.com.au) as soon as possible - the quicker we can do the Program Report for DFAT, the sooner we will be able to have your travel expenses reimbursed!
