

EQUIPMENT & ACCESSORIES DONATIONS POLICY

Scope

This policy applies to donations of equipment and accessories only and not to any forms of monetary donation.

Usage of Donations

ANZGITA agrees to use all donations to support the organisation in its mission to “provide assistance and support to people in need in Developing Countries, particularly those located in the Asia-Pacific region, through sustainable local projects which improve standards in the practice of Gastroenterology and the treatment of digestive illnesses, conditions or disorders”.

Sponsorship Donation

ANZGITA will administer the donation in a collegial way with the providing company to ensure that the mission of the association is met.

Legal Compliance

ANZGITA agrees to take appropriate measures to ensure that all activity is planned and operated in compliance with all applicable laws, regulations and any policies and agrees not to make any arrangements associated with its training activities which may place the sponsor in breach of Medicines Australia Code of Conduct Edition 19.

Independence

ANZGITA will organise and run programs on its own behalf and not as a representative of the donating company. ANZGITA will be solely responsible to contract for and pay all expenses associated with its programs.

If there is another way that you would prefer to participate in supporting ANZGITA and also provide a benefit to your company, please do not hesitate to contact the Chair of the association on +61 3 9347 0788 or email chair@anzgita.org to discuss your ideas.
